

2020-2021 Fall League Info Packet

Reverse Handicapped – WAMO Sanctioned

League Covered in This Packet: Tuesday Night Doubles

New Information Notifications

While reading through this packet with your team, please make a special note of any section that has a *New Info* notification in the title. This highlights either new information added for this league season, or changes to past rules.

Covid and Curfews *New Info*

Due to the uncertainty surrounding our community heading into the fall and winter of 2020, everyone needs to be aware that there could be interruptions during the league season. We strongly suggest that teams keep up to date on their matches, and try to play any scheduled makeup matches as soon as possible. In the event that we have to cut the season short, similar to last year, total wins will dictate rankings.

Basic Rules and Common Sense

Above all, please respect each other, the location hosting your match, and the equipment you are playing on. Most minor disputes or issues that arise during a match can normally be straightened out between the Players if common sense and courtesy are used.

Schedules and the First Night of Play

You will be able to find your first night of play either on the dart board at your home bar, or on our website at www.midwestnovelty.com. We will post the schedules by October 4th. If you are unable to get online to see where you play the first week, please call our office at (262) 658-1200, and we will be happy to let you know. On your first night of play, we will deliver a hard copy of the schedule and your prize payout sheet.

Starting Times *New Info*

All matches start at 7:30pm. The date of the starting week is October 5th. Please allow a 15-minute grace period for all players to show up before starting the match. If any Teams fail to show by 7:45pm, please read the “No Shows” section.

Dates of No League Play:

November 3rd

December 29th

Fees Due

All weekly Player and Game Fees will be collected by the machine at time of play. This will go towards the player prize money at the end of the league, and pay the game fees. All leagues are \$10 per player per week. You will receive a folder, on your first night of play, which will include a spreadsheet that breaks down exactly what your Player Fees go to. It will list Game Fees, the total each week that goes to the prize pool, prize money added by Midwest Novelty, and the prize money breakdown. Everything is spelled out in a simple manner, and all funds are accounted for.

Darts

Either location supplied, or player supplied darts may be used. **SOFT TIP DARTS ONLY.**

Rescheduling Matches and Makeups *New Info*

If a team will be unable to play a scheduled match, it is their responsibility to contact the captain of the other team to setup a makeup. Please contact the other team no later than 5:30pm on the day of the scheduled match. If you do not contact the other team before then, they have the right to choose to forfeit your match and take the wins. Team captain phone numbers are listed on the league schedule, both the printed copies and the copies on our website. Makeup matches can be played at *any* time, and on *any* day of the week.

If an emergency situation arises after 5:30pm, but before the start of the match (medical emergency, traffic accident, family emergency, etc.) please contact the other team’s captain, and also leave a message on our office voicemail at (262) 658-1200. Forfeits due to verified emergency situations will be overruled and rescheduled for play. It is at Midwest Novelty’s discretion to overrule any other forfeits.

Errors

The two most common errors are stepping over the throw line, and scoring under a different Player's turn.

If a Player steps over the throw line, for the first infraction of the night, please just give them a notice of the action. For subsequent infractions, the Player's next turn will be skipped.

If a Player accidentally throws darts under a different Player's turn, stop as soon as it is noticed. Use the UP arrow on the dart board to enter the menu, and UNTHROW LAST DART until the problem is fixed.

Team Rankings

Final rankings are determined by the number of games won. These are tracked by the dart boards, and will be updated on a week by week basis. Current rankings can be viewed on the dart boards, or at our website. In the case of a tie at the end of the season, both teams will split the prize money. For example: if two teams are tied for 1st place, the prize money for 1st and 2nd place will be combined and split evenly between the two teams.

Throw Lines

Midwest Novelty makes every attempt to ensure that the Throw Lines are always 8 feet from the dart face. It is up to the Teams to decide if the machine is properly placed, and to measure if not.

Reverse Handicapping System

Our leagues make use of Arachnid's reverse handicapping system. What this means, is that player's stats are compared on a weekly basis to determine if handicapping is needed. It is also reversed, as compared to standard handicapping. For example, player A is a lesser skilled player than player B. In regards to a game of 501, player A will start at 501. Player B will start at a number higher than 501, say 561. This number will change every week, depending on opponents and your skill level shifting up or down throughout the season. The first three weeks of play are based on a player's previous, historical stats plus their current nightly average. The remainder of the league season is based solely on the average of a player's current stats. New players and subs will be assigned a default average for their first week of play, and will then switch over to an average of their current stats.

No Shows and Forfeits

A Team “No Show” means that one team didn’t show up to play their match, and didn’t contact the other team for a reschedule prior to 5:30pm on the day of the match. In this situation, the team that did show up can declare a Forfeit on the missing Team. This is done completely through the dart board, on-site.

1. The team that is present will enter the League Menu and begin the process of starting league play.
2. The Team present will only have to pay their Team Fees. **IF YOU ARE ENTERING A FORFEIT, ONLY ENTER IN THE AMOUNT THE DART BOARD ASKS FOR. DO NOT ENTER YOUR USUAL TOTAL PLAYER FEES.** Setting up a forfeit will not require you to pay the Game Fee portion, as you are not playing the match. Please do not enter any money into the dart board until the machine asks for it.
3. The team that is present will enter THEIR team as both the HOME and AWAY teams.
4. The dart board will ask if this is a FORFEIT, answer YES.

Teams that miss a match are still required to pay their Team Fees for that match. Otherwise, the owed Team Fees will be subtracted from their end-of-season prize money.

If both Teams fail to make their match, a reschedule will be setup for later in the season.

Machine Scoring

We make every effort to maintain the quality and working order of our dart machines. However, issues do arise, matrixes get dirty, and dart faces sometimes don’t score correctly. In the event that the board doesn’t score properly, we follow the “board is always right” rule. Whether it’s in your favor or against it, what the board says, goes. If you do find an issue with one of our dart boards, please contact us at our service number so we can correct the issue - (262) 654-1041.

Drink Rounds *New Info*

In order to streamline drink rounds, there will only be two for each night of League Play. The location hosting the match will supply both teams a “courtesy round” roughly three quarters of the way through the night’s match. The winning team of Game 7 will receive a drink from the losing team. The overall losing team will buy the winning team a round at the end of the match. The max drink cost is \$3.50. If a Player would like a drink that exceeds the \$3.50 maximum, they may pay the difference out of their pocket.

Please, no transferring of drinks between Players. If you opt to not receive a drink, you can’t pass it to someone else. It is at the location’s discretion to award a Drink Chip or not.

WAMO State Tournament Sanctioning

All Midwest Novelty Fall Leagues are WAMO State Tournament sanctioned. This includes both Fun Leagues. The WAMO State tournament is held every May, and features 20+ divisions. Whether you are one of the top 100 players in the State, or somewhere closer to the bottom of the chart, they have a division for your skill level. If you haven't attended a WAMO State tournament before, please consider checking it out. We don't require players to pay the \$12 WAMO team sanctioning fees. Our Bar Sponsor Fee covers that. So please, remember to thank your Sponsor Bar!

WAMO State Tournament information can be found at WAMO.net.

Kenosha Darts Classic Tournament

The fifth annual KDC is just around the corner. Dates have been set for Oct 23rd through Oct 25th. It will take place on the second level of Madrigrano's Marina Shores. ANY dart players are welcome to enter this tournament. As long as you can supply verifiable averages to us, you can enter and play. We have had players enter from as far away as Iowa in previous years. Signups are open, and there are divisions for all player skill levels. For more information, please join our "KDC – Kenosha Darts Classic" Facebook group, or check out our website (midwestnovelty.com).

Midwest Novelty League Banquet

Our end of season dart banquet will be held roughly in the beginning of May, 2021. We are combining all Midwest Leagues into one banquet. Food and soda will be provided for free, and we will put together a blind draw tournament for the banquet, for those who would like to play. More detailed information, and RSVP sheets will be available after the first of the New Year.

Midwest Novelty League Tournament *New Info*

Once again, we will be hosting our annual Midwest Novelty League Tournament. This Tournament will be open to any Midwest Novelty league player (including Fun League Players), who has played at least 10 combined weeks in a qualified fall season league. We will have multiple divisions per event, to accommodate players of all skill levels. Due to the possibility of some form of Covid lockdown or curfew this fall/winter, we will be pushing the tournament out from its usual March time slot. We are currently looking at dates in April or May. More information about the Midwest Novelty League Tournament will be available after the first of the New Year.
